

Travelers Discounts

- **Multi-Policy**-Up to 13% savings on car insurance with a home/condo policy
- **Multi car**-up to 8% savings if insuring 2 or more vehicles
- **Home Ownership**- Up to 5% on car insurance if you own a Home or Condo
- **Safe Driver**- if household has had no accidents, violations or major comprehensive claims within a specified period of time
- **Continuous Insurance**- no gaps on their coverage eligible for up to 15% savings
- **Hybrid/Electric vehicle**- owning or leasing a hybrid car save on auto insurance
- **New car**- when purchasing or owning a vehicle less than three years old, up to 10% savings
- **EFT, paid in full and good payer**-Based on how you choose to pay your premium. Discounts include up to 7.5% if you pay your policy in full, 2-3% by paying through electronic funds transfer (EFT) or payroll deduction, or as much as 15% by consistently paying your premium on time
- **Early quote**- new customers getting an auto quote before their current policy expires, may be eligible for a discount 3-10%, depending on how far in advance you shop.
- **Good student**- Policyholders fully enrolled in high school or college and maintain a "B" average or better may qualify for a discount.
- **Student away at school**- if an insured's dependent goes to school at least 100 miles away and won't be driving your cars, it may qualify for an additional discount.
- **Driver training**-To encourage young drivers to sharpen their skills with driver training, we offer a discount of up to 8% for those drivers who have successfully completed an approved driver education course
- **DAD(digital auto discount)(Intellidrive)(Telematics)**-The digital auto discount consists of enrolling in the intellidrive program, registering for MyTravelers, and agreeing to paperless delivery for billing and policy documents in MyTravelers.

The intellidrive is a 90-day program that uses a smartphone app to monitor your driving performance. If enrolled during new business issue, the policy can receive an intellidrive enrollment discount for the first term. At first renewal, an intellidrive premium adjustment based on driving behavior is included and will remain for the duration of the policy. Safe driving habits can lead up to 30% discount.

In addition to the Intellidrive premium adjustment, customers that qualify for the digital auto discount receive up to 5% savings on each policy term.
