

Choosing Employee Benefits Just Got Easier

Ancillary Set Plans in E-Sales

For groups with 2–50 eligible employees

Selecting essential employee benefits that complement Medical and Dental should be streamlined, simple, and consolidated.

To help with the selection process, we've enhanced our E-Sales application in Blue Access for Producers (BAP) to quote Blue Cross and Blue Shield of Illinois (BCBSIL) Vision, Accident, and Critical Illness Insurance alongside Medical and Dental for groups with 2-50 eligible employees.

We took our most popular plans in this market and made them easier to access through E-Sales, our digital, self-service quoting solution.

Talk to your BCBSIL representative to find out how you can complement your groups' Medical and Dental benefits by quoting Vision, Accident, and Critical Illness through E-Sales.
